Thanks very much.

Can you tell us if you have any data on how many students – who were close-contact quarantined – actually tested positive or contracted COVID in the classroom?

Did the state track that data?

Hi Julie,

Please see the [Guidance for the Use of Face Coverings](#) (takes effect June 15, 2021). You may also find this [Q&A](#) helpful (takes effect June 15, 2021). CDPH cannot comment further due to potential litigation.

Thank you.
